WHO WE ARE

KTPS is multidisciplinary professional firm that understands the needs of the organizations in this dynamic business environment.

We are committed to creating & sustaining superior performance by constantly keeping ourselves abreast with the latest amendments in the legislations and their implications on our client's business. We believe in building relationships and partnering with our clients so that they can focus on their business.

KTPS is a one of the fastest growing Business Advisory firms in India today. The average age of our human resource is less than **30 years** while our partners and senior management have a combined experience of 25+ years.

VISION & MISSION

VISION

To be among the Top 10 industry players by providing innovative business solutions using specialized skills that adds to the value chain of the client and contribute to their growth story.

MISSION

To achieve the highest standards of professionalism by providing quality service in time bound manner.

To use specialized skills and assign aptly skilled professionals to meet all client specific requirements.

To provide innovative solutions & valuable strategic inputs and become a part of the client's growth story.

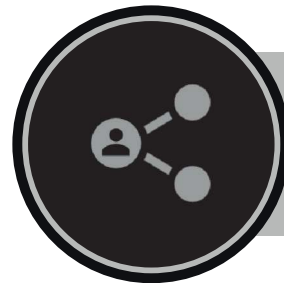

To build a team where all members are motivated to work together to achieve the common objective.

WHY KTPS...?

In today's business environment, change is the only constant. Our services are not oriented towards what our clients want but what our clients should get. Distinguishing features of our service model are :-

Understanding client's business.

Continuous engagement with clients to understand their requirements.

Extensive use of information technology.

Delivery of time bound quality service
